

The Knowsys SAT Prep Program emphasizes strategies, methods, content review, and the application of content and skills. Students learn strategies and methods for timed test-taking as well as for Math, Critical Reading, Grammar, and the SAT Essay. Students also master the Knowsys SAT Vocabulary to improve their Reading and Writing score.

Knowsys SAT Prep Pedagogy, Strategies, and Methods:

The Knowsys SAT Prep Program is designed to enable students to maximize their gains on the SAT by teaching vital test-taking strategies and time management skills plus providing efficient and effective methods for each type of problem tested. For each content area of the SAT (Reading, Vocabulary, Math, Grammar, and the Essay), the Knowsys curriculum provides methods, content review, and practice problems.

The Full SAT Course:

The most complete SAT Prep option, the SAT Course is 40+ hours long and integrates the use of the Knowsys SAT Workbook, *The Official SAT Study Guide*, and the College Board Khan Academy Online SAT Prep materials. Students take 2 diagnostic exams, one at the beginning and one toward the end, to gauge progress. Students receive Personalized Score Reports detailing their strengths and areas of opportunity. All areas of the exam are covered thoroughly. For shorter courses, contact us to discuss the best curriculum options.

Recommended professional development: 4 days of SAT Training (2 math/2 verbal)

The SAT Workshops:

The SAT Workshops offer more limited preparation and can be general (the SAT Overview Workshop) or targeted by test section. Each workshop is designed for up to 6 hours and is independent of the other Workshops. The following 6-hour Workshops are available for the SAT:

- **SAT Overview:** touches on all sections of the exam briefly
- **SAT Verbal:** focuses on the SAT Reading, Grammar, and Essay sections
- **SAT Math:** focuses on the SAT Math section
- **SAT Algebra:** focuses on the tested basic and intermediate Algebra concepts
- **SAT Reading:** focuses on reading and vocabulary strategies
- **SAT Writing:** focuses on grammar and the SAT Essay

Recommended professional development: Test Prep Overview training and content-specific training
